

# Przemysław Jodłowski

**Academic degrees :** dr hab. inż

**Position :** professor

**Engineering - technical field**

**Discipline** Chemical engineering

## Academic qualifications:

Member of the Discipline Council of the Faculty of Chemical Engineering and Technology,  
Member of the Scientific Council of FutureLab PK

## Membership in professional and academic boards :

-

## Academic merits :

- 52 publications from the JCR list;
- 2 patents granted;
- 2 national patent applications;
- 2 international patent applications;
- Managing research and development projects: Lider 6, Sonata, Preludium, TRL +

## Professional qualifications/language skills

- English – fluent

## Research field :

- Spectroscopy
- Catalysis
- Sonochemistry
- Heterogeneous catalysis
- Structured reactors
- Medical chemistry
- Metal-organic frameworks
- Adsorption and adsorbents

## Address

Cracow University of Technology,  
Faculty of Chemical Engineering and Technology  
Address:  
31-155 Krakow  
phone . 0048 12 628 27 60  
e-mail : [pjodlowski@pk.edu.pl](mailto:pjodlowski@pk.edu.pl)
