

# Sławomir Milewski

**Academic degrees :** PhD DSc Eng

**Position :** Associate professor

**Engineering - technical field**

**Discipline** Civil engineering and transport

---

## **Academic qualifications:**

Scientific and didactic employee

---

## **Membership in professional and academic boards :**

Member of the Section of Computational Methods of Mechanics Comitee by the Polish Academy of Science

---

## **Academic merits :**

21 scientific papers, including 17 with Impact Factor, two finished scientific projects (including one own project), numerous prizes and awards, scholarship of Polish Ministry of Science and Higher Learning for young investigators, details: <https://www.scopus.com/authid/detail.uri?authorId=36806530600>

---

## **Professional qualifications/language skills**

Polish (native), English

---

## **Research field :**

**Computer methods of mechanics of structures and materials as well as civil engineering**

---

## **Address**

Cracow University of Technology,  
Faculty of Civil Engineering  
Address: Warszawska 24  
31-155 Cracow, Poland  
phone . +48 (12) 628-2563
